

**APPALACHIAN AUDUBON SOCIETY (AAS) WILL BEGIN ACCEPTING APPLICATIONS FOR THREE (3)  
2020 HOG ISLAND TEEN CAMP SCHOLARSHIPS ON OCTOBER 21, 2019.**

**Deadline for applications is January 24, 2020**

**Note: if you submit your application but do not get feedback that we have received it, please contact us.  
We will always respond with confirmation that we have received your materials.**

AAS is a chapter of National Audubon Society (NAS) in south central Pennsylvania, with membership in Cumberland, Dauphin, Northern York and Perry counties (as determined by NAS zip-codes). In 2020 we will again be offering THREE full Hog Island Teen Camp scholarships (excluding transportation to/from camp) in the amount of \$1,395 each.

**Audubon Hog Island site:** [Coastal Maine Bird Studies for Teens, Sessions One and Two.](#)

**Check out our flyer:** [Hog Island Audubon Camp Flyer](#)

**Primary Eligibility for our Scholarship:** 14-to-17-year-old youth in our chapter territory, with either a demonstrated passion for, or an awakening, demonstrated curiosity about birds and/or natural history/science, willing to "give back" from their Hog Island learning experiences to our chapter and their local communities. First consideration for this scholarship goes to teens living in our chapter territory.

**Secondary Eligibility:** Non-chapter-resident 14-17-year-olds may also be considered - birding/wildlife volunteer and family connections to our area strengthen non-resident applications. We can also sometimes offer partial scholarships/financial support to strong candidates outside our formal process, who demonstrate financial need.

**Chapter-Territory Residents:** Please also see additional Youth and Educator camp/continuing education scholarships for camps in Pennsylvania and the Mid-Atlantic region, on our [website](#).

**HOW TO APPLY:**

Info and application forms are on our chapter's website: <http://appalachianaudubon.org/education.html>
