

**APPALACHIAN AUDUBON SOCIETY (AAS) WILL BEGIN ACCEPTING APPLICATIONS FOR
2021 HOG ISLAND TEEN CAMP SCHOLARSHIPS ON OCTOBER 21, 2021.**

Deadline for applications is January 22, 2021

Note: if you submit your application but do not get feedback that we have received it, please contact us. We will always respond with confirmation that we have received your materials.

AAS is a chapter of National Audubon Society (NAS) in south central Pennsylvania, with membership in Cumberland, Dauphin, Northern York and Perry counties (as determined by NAS zip-codes). In 2021 we will again be offering full Hog Island Teen Camp scholarships (excluding transportation to/from camp) in the amount of \$1,395 each.

Audubon Hog Island site: <https://hogisland.audubon.org/bird-studies-teens>

Check out our flyer: [2021 Flyer \(PDF\)](#)

Primary Eligibility for our Scholarship: 14-to-17-year-old youth in our chapter territory, with either a demonstrated passion for, or an awakening, demonstrated curiosity about birds and/or natural history/science, willing to "give back" from their Hog Island learning experiences to our chapter and their local communities. First consideration for this scholarship goes to teens living in our chapter territory.

Secondary Eligibility: Non-chapter-resident 14-17-year-olds may also be considered - birding/wildlife volunteer and family connections to our area strengthen non-resident applications. We can also sometimes offer partial scholarships/financial support to strong candidates outside our formal process, who demonstrate financial need.

Chapter-Territory Residents: Please also see additional Youth and Educator camp and continuing education scholarships for camps in Pennsylvania and the Mid-Atlantic region on our [AAS website](#).

HOW TO APPLY:

Application forms are available at: [\(PDF\)](#) -or- [\(MS Word DOCX\)](#)

Georgia Kagle, Education Chair: Education@appalachianaudubon.org

*Our ability to offer camp scholarships is dependent upon chapter fundraising
and generous donations to AAS.*

Donations welcome year round:
