

AAS 2018 Birdseed Fundraiser

Appalachian Audubon Society will partner with Agway stores in November and December to provide birdseed, feeders, and accessories.

Customers get special pricing on birdseed.

With a minimum purchase of \$25 of birdseed, you will save 25% on feeders and accessories.

- During the months of November and December, take a completed Order Form (**below**) to either of our partners' Agway stores:

East Shore:

Hanoverdale Country Store, Inc.
West Hanover Township
486 S. Hershey Rd., Route 39
Harrisburg, PA 17112

Hours: Monday through Saturday 8:00 am – 6:00 pm;
Sunday 10:00 am – 4:00 pm.

West Shore:

Davis Country Living
45 W. Allen St.
Mechanicsburg, PA 17055

Hours: Monday through Friday 8:00 am – 5:30 pm;
Saturday 8:00 am – 4:00 pm; closed Sunday.

- Pay for your order at the store using cash, check, or credit card.
- While picking up your bird seed, choose from a wide variety of feeders and other bird-related gear available at the store. Please consider shopping for other items at our partners' stores as well.
- Your birdseed will be loaded into your car for you.
- To get the special price every time you visit Agway during November and December, print additional copies of the Order Form (**below**).
- Remember, you don't need to mail an order form or money to Audubon. Turning in the completed order form at one of the partners' stores will ensure that AAS benefits from your purchase.

Purchases help us raise funds for local education and conservation programs, including:

- Conservation camp scholarships for young people and teachers
- Outstanding monthly programs that are free and open to the public
- Birding and other nature field trips for all ages and levels of experience
- Community education and outreach programs
- Important bird habitat conservation work

 with a minimum purchase of \$25 of seed

Seed Description

(List matches order form)

BLACK OIL SUNFLOWER SEED — Oil sunflower seeds have more meat per pound and the oil provides needed calories and high energy.

FAVORITE WILD BIRD FEED — A mixture of some striped sunflower, cracked corn, millet, wheat, and milo.

BIRDSNACK WILD BIRD FEED — Triple the sunflower in "Favorite" blended with canary seed, cracked corn, hulled oats, wheat, white millet and peanut hearts.

FLYERS' CHOICE — A premium selection of high energy ingredients. At least 50% oil and striped sunflower and sunflower kernels, plus millet and safflower.

CARDINAL'S CHOICE — Oil sunflower, sunflower kernels, and safflower.

CHICKADEE'S CHOICE — Sunflower kernels, tree nut pieces, peanuts, oil sunflower, striped sunflower, and safflower.

WOODPECKER'S PICK — Tree nut pieces, peanuts, corn, sunflower kernels, dried fruit, and pepitas.

HIGH ENERGY FRUIT & NUT — Premium blend of sunflower, fruits, nuts and safflower.

SUNFLOWER MEATIES — Oil sunflower seeds blended with hulled sunflower seeds and pieces — great energy food.

SUNFLOWER HEARTS — Sunflower seeds without the shells.

SUNFLOWER KERNELS — Full kernels, no shells.

ROASTED PEANUT PIECES — Use in hopper, platform or peanut feeder

NYJER (THISTLE) SEED — High in oil content, for use in nyjer/thistle feeders.

FINCH DELIGHT — Small sunflower hearts, canary and nyjer seeds.

SAFFLOWER SEED — Looks like a sunflower seed with a white hull.

DRIED MEALWORMS — 100% natural source of high protein to use throughout the year

SHELL-LESS SELECT — Premium blend with no shells for less waste. Millet, sunflower seeds, peanuts, tree nut pieces, and pepitas.

SUET CAKES — Made from beef fat or peanut butter, mixed with seeds or insects, formed into shapes.

Birds
Attracted

Chickadees, sparrows, cardinals,
jays, nuthatches, goldfinches,
house finches.

Good mix for ground feeders, including
doves, sparrows, juncos, towhees.

Doves, sparrows, finches, cardinals,
woodpeckers, jays.

Attracts colorful birds, including blue jays, chickadees,
cardinals, finches.

A basic mix for a wide variety of birds.

Chickadees, all the feeder favorites, plus woodpeckers.

Works well in tubular wire-mesh woodpecker feeders, or any feeder.

Fruit attracts mockingbirds, cardinals, jays, tanagers, bluebirds. Nuts
bring in titmice, nuthatches, chickadees.

Attractive to a wide variety of birds.

Attractive to many birds, with the benefit of no shells and less mess.

Woodpeckers and nuthatches.

Primarily for goldfinches and house finches.

A different blend for nyjer feeders; sometimes preferred over nyjer.

Cardinals, doves, finches, jays, nuthatches. Discourages
some squirrels.

Bluebirds and all other insect eating birds.

A favorite of jays, orioles, nuthatches, chickadees, and mockingbirds.

Jays, titmice, woodpeckers, goldfinches, mockingbirds.

AAS recommends the Black Oil Sunflower Seed as your best buy. Black Oil is one of the most nutritious of the seeds and is preferred by most feeder birds. See more bird feeding information at <http://www.allaboutbirds.org/page.aspx?pid=1179>
