

Scholarships for Hog Island (Maine) Audubon Camps

APPALACHIAN AUDUBON SOCIETY (AAS) WILL BEGIN ACCEPTING APPLICATIONS FOR THREE (3) 2019 HOG ISLAND TEEN CAMP SCHOLARSHIPS ON OCTOBER 15, 2018

Note: if you have submitted your application but have not gotten feedback that we received it, please contact us again. We will always respond with confirmation that we have received your materials.

AAS is a chapter of the National Audubon Society (NAS) in south-central Pennsylvania, with membership in Cumberland, Dauphin, Northern York and Perry counties (as determined by NAS zip-codes). This year we are offering THREE full Hog Island Teen Camp scholarships (excluding transportation to/from camp) in the amount of **\$1,395** each.

Audubon Hog Island website:

[Coastal Maine Bird Studies for Teens, Sessions One and Two](#)

Primary Eligibility for our Scholarship: 14-to-17-year-old girls and boys in our chapter territory with either a demonstrated passion or awakening curiosity about birds and/or natural history and science who are willing to "give back" from their Hog Island learning experiences to our chapter and their local communities. First consideration for this scholarship goes to teens living in our chapter territory.

Secondary Eligibility: Non-chapter-resident 14-17-year-olds may also be considered. Birding/wildlife volunteer and family connections to our area strengthen non-resident applications. We can also sometimes offer partial scholarships or financial support to strong candidates outside of our formal process who demonstrate financial need.

Chapter-Territory Residents: Please also see additional Youth and Educator camp and continuing education scholarships for camps in Pennsylvania and the Mid-Atlantic region on our Education page.

HOW TO APPLY:

Information and application forms are available here: ([PDF File](#)) - or - ([MS Word DOCX File](#))

DEADLINE FOR APPALACHIAN AUDUBON SOCIETY 2019 HOG ISLAND TEEN CAMP SCHOLARSHIPS:

Friday, January 25, 2019
